## CAD Narrative

01/31/2018 : 16:14:14 Irohrback Narrative: 1-30-2018 MHP Kroll (this writer) was able to get Subject's consent for a follow-up call in 5 to 10 days.

01/31/2018 : 15:43:17 Irohrback Narrative: 1-30-2018 Officer Farman, Officer Rohrbach, and MHP Kroll (this writer), arrived to Subject's home. We were able to speak to the brother of Subject while brother was in his room. Brother stated that Subject has been sleeping most of the day and had not come out of his room. Brother also stated that their Mother was arriving a day early to support Subject. Subject did not want to speak with police and initially spoke only through a second story window. Once MHP was introduced he agreed to come downstairs and speak to her at the front door. Upon inquiry by MHP, Subject disclosed that he would be fine while he waited for his Mother to arrive, will continue to read the Bible (Romans), sleep, and spend time with his dogs. MHP asked if he would be willing to take her business card and contact information if he should ever feel like he had no other options. Subject agreed that, "yes, that is more my style." He agreed that if he felt like everything was going wrong, if he did not have a place to turn, that he agreed to reach out to this MHP.
